

Complying with the EYLF & NQS in Montessori Schools and Centres Workshop

Friday, 16 March 2012, Perth

Every Montessori school and centre is unique. It is not possible to produce a one size fits all template for compliance with the NQS and EYLF.

This training session will provide you with tools and guide you through some practical exercises so that you are able to develop a framework of evidence that will not prejudice your Montessori practice. You will be able to clearly articulate and link the EYLF to the Montessori early years learning curriculum.

Outline of areas to be covered:

- Overview of NQS and EYLF
- Articulating, explaining and dispelling myths on Montessori practice during assessors' visits
- Developing an appropriate self-assessment process for your school or centre to determine compliance
- Linking Montessori elements and outcomes and providing evidence to assessors
- Record keeping samples
- Frequently asked questions
- Sharing with parents – portfolio or something different?

Please bring along your own information to share with participants.

Who should attend:

At least one representative from each school/centre – principals, owners, managers, teachers, board or committee members.

Registrations close Friday, 9 March 2012.
